## *Why We Believe We Are...*

### The Premier Wedding Facility in Southern Vermont

In the 29 years that Innkeeper, Robert Grinold has been helping to orchestrate weddings, he has learned that no two weddings are the same.

Your wedding is exactly that, ..... *your* wedding. We will assist you in making your perfect dream day a reality. We understand that you have very particular ideas about how some aspects of your wedding will be planned. Yet, we have learned that you probably have not even considered some important details. Our experience in assisting with the planning of weddings will assure you of a day that everyone will recall with fondness.

Without exception, The White House is the most scenic setting in southern Vermont for your wedding. Our formal flower gardens surround a bubbling fountain, sitting at the foot of an eight-collumned-rose arbor. The brick path winds its way past the gardens and fountains until reaching the rose-filled trellace.

When you take into consideration the stately impression of the Inn and its' architecture; surrounded by 25 acres of well-manicured lawns, flower gardens, fountains, and mountain views, it is readily obvious why the Boston Herald named, "The White House as one of the ten most romantic places in the world".

We believe that the combination of our experience, scenic beauty, and romantic surroundings makes us,

.....Vermont's Premier Wedding Facility.

## Function Scheduling

A \$900.00 deposit is required in order to reserve the facility. This deposit is not refundable. **Payment by check is required.**

## Menu Selection

A preliminary menu selection should be discussed prior to reserving the facility. Final meal selection must be made prior to sending your invitations. Total number of guests to be invited must be confirmed with Inn. If more than one entree is selected you are responsible for an exact meal count for each entree. The enclosed list of entree's and hors d'oeuvres are for suggestion only. In most cases we are able to accommodate your specific selections.

## Seating Place Cards

A final meal count is required 2 weeks prior to your wedding. Each guest must have their own place card if you are offering a choice of meals. You need to place their meal selection code on the back of these cards. We will work with you on table arrangements as soon as we receive your final meal count. Depending on the number of guests attending your wedding, there may be some flexibility in table assignment.

## Function Hours & Facility Fee

The facility fee is \$900 unless otherwise noted. All functions are priced on a 5 hour facility fee with at least 75 guests in attendance. For a sit down dinner the Inn can accommodate up to 108. Use of the patio and bar area can bring this number to 125. Other arrangements can be made to accommodate up to 200. Any additional time incurs a \$200.00 per hour charge. Additional service requests may cause the facility fee to go as high as \$2000. Use of the Inn and its services prior to reception is not included with the facility fee. Such use will be billed hourly. Termination of beverage service to any guest is at the sole discretion of the bartender. A \$500 damage deposit is required two weeks prior to your wedding. Any unused portion, in whole or in part, will be applied to your balance.

## Tax & Gratuity

9% Vermont State Rooms & Meals Tax is added to all appropriate charges.  
10% Vermont State Tax is added to all alcohol charges. A 20% Gratuity is added to the **final** bill. Additional gratuities for exceptional service are at your discretion.

## Room Rental

You are responsible for renting all 25 rooms for two nights. Room rates are based on double occupancy. No reservations will be accepted until you submit your rooming form. Regretfully we are unable to offer any discounted room rates.

## Alcohol

You may have alcoholic beverages purchased off premise in your Guest Rooms. Otherwise, all beverages consumed on the property must be purchased through the Inn. This is a Vermont state law that is enforced and not flexible. Thank you for your understanding. The Inn's bar closes at midnight. All service ends at midnight.

## Other Professional Services

Those services not offered by the Inn, such as floral arrangements, cake baker, photographer, and entertainment must be arranged by the wedding couple. We have provided a list of professional services available in our area. We welcome those not on our list to provide services at the inn. However, please understand that it is not the responsibility of the Inn to provide support for these professionals. We are extremely limited on our cold storage and generally unable to provide any space for cakes or flowers.

## Check In

Check in is 2:00. We regret that we are unable to welcome your guests prior to check in. We are happy to greet the bride and groom at the hour of their convenience.

## Alcohol and Wine

On occasion we are asked to serve a "favorite, or special" wine. Vermont State law requires us to purchase all wine from a Vermont distributor. On request we will provide you with a list of all wines available through our distributors. Wine is sold throughout the country based on allocation. Wine that is sold in New Jersey may not even be available in Vermont. Your understanding in this matter is appreciated.

## Termination of Agreement

Upon receipt of your deposit all 25 guest rooms are confirmed. Unless otherwise noted, you are responsible for payment for two nights stay for all 25 rooms. You are also responsible for full payment for the total reception costs. In the unlikely event of the cancellation of your use of the facility, a termination fee will be based upon the average cost for a 75 person wedding to include open bar. Submission of your deposit serves to confirm your agreement to these terms.
